

DO YOU WANT TO UPDATE YOUR KNOWLEDGE IN KEY AREAS OF DEMENTIA CARE?

**KNOWLEDGE TRANSFER WORKSHOPS,
WEDNESDAY 29 FEBRUARY 2012**

Wesley Conference Centre, 220 Pitt Street, Sydney, NSW

**THERE IS A PROBLEM. RESEARCH IS TAKING
TOO LONG TO FIND ITS WAY INTO PRACTICE.**

The Dementia Training Study Centres and the Dementia Collaborative Research Centres are determined to speed up this process.

The NSW/ACT Dementia Training Study Centre is hosting a day of workshops and presentations that

will update your knowledge of some key areas in the care of people with dementia.

The workshops will provide an update on research, an exploration of its practical application and an opportunity to put forward your ideas on the direction future research should take. They will be led by the researchers from the Dementia Collaborative Research Centres who are actively researching in these areas so that the information provided will be the most up to date available.

PROGRAM SPEAKERS

Professor Dimity Pond	Professor of General Practice and Head of the Discipline of General Practice, University of Newcastle
Professor Lynn Chenoweth	Professor of Aged and Extended Care Nursing, Faculty of Nursing, Midwifery and Health, University of Technology Sydney
