

Hierarchic Dementia Scale–Revised (HDS-R) Train the Trainer workshop for new users

Presented by
Terrie Simpson, Occupational Therapist and Project Officer with
WA Dementia Training Study Centre (WADTSC)

Thursday 4 June 2015

The WA Dementia Training Study Centre will be holding a full day training workshop on the Hierarchic Dementia Scale-Revised (HDS-R) in Seminar Room 2, Technology Park Function Centre, Bentley from 8.30am to 4.00pm on Thursday 4 June 2015.

Registrations for this workshop are invited from health professionals working in acute, residential or community settings, particularly those responsible for assessing people with dementia and creating care plans. Content is suitable for those who have not previously used the HDS.

Workshop objectives:

- Understand the underpinning theory of the HDS-R
- Demonstrate ability to assess people with dementia using the HDS-R
- Combine the results of HDS-R assessments with a Possibility Oriented Approach to provide person-centred interventions.
- Learn about the forthcoming HDS-R computer app.

Registrations open at 8.15am with tea and coffee and the workshop commencing at 8.30am finishing at 4.00pm.

If you are a health professional and would like to register for this training session, please follow the link to the Eventarc website <https://register.eventarc.com/30018/hierarchic-dementia-scale-revised-hds-r-train-the-trainer-workshop-for-new-users-4-june-2015>
