PLEASE NOTE ALL SEMINARS NOW COMMENCE AT 6PM

Venue: The Theatre, Technology Park Function Centre, 2 Brodie Hall Drive
Corner Brodie Hall Drive and Hayman Road, Technology Park, Bentley

---

The seminar will describe the progress to date, lessons learned and challenges of this innovative and daring approach to cultural awareness learning. As part of the normal activity program, Aboriginal residents within a residential aged care facility participate in the preparation and production of culturally appropriate pieces of communal art. Led by renowned Noongah artist Ron Gidgup, residents, families and staff have opportunity to share stories that are reflected in the art and in the process learn about Aboriginal culture and history, and develop appropriate communication and care skills when interacting with Aboriginal residents.

There is no cost associated with this presentation and anyone interested in furthering their dementia knowledge, keeping up-to-date with recent research and networking with colleagues is welcome to attend.

REGISTRATION FOR SEMINARS IS NOW ONLINE.
