

The Dementia Training Study Centres are supported by the Australian Government

Dementia Training Study Centre Fellowship program

The Dementia Training Study Centres are pleased to offer health professionals from all disciplines and care settings the opportunity to participate in our national Fellowship program commencing in May 2015.

The program aims to:

- Increase awareness and knowledge on the topic of caring for people with dementia
- Support health professionals translate evidence into practice in the care of people with dementia
- Improve practice in the care of people with dementia
- Build capacity amongst health professionals in translating evidence into practice.

Fellowships will be awarded for a period of 12 months and will include education on leadership, evidence-based practice and access to expert support from the Dementia Training Study Centres. The Fellowship also includes funding to the value of \$6,000 to facilitate the project. The funds must be used to cover the costs related to the attendance at 2 workshops.

The commencement workshop will be held on 29th April 2015.
